RE: INVITATION FOR AN "EFFECTIVE PARENTING" WORKSHOP

Dear Parent:

If we were to tell you that just one Wednesday evening would make parenting much easier for you, would you make some time for it? We know you would.

We have some wonderful news for you! We are going to bring you face-to-face with a renowned Parenting expert and motivational speaker, for solutions on everything you need to know about raising great kids. We know that parenting is not easy, but this deep insight into the science of good parenting makes this a must-attend parenting workshop. You are welcome to bring along your friends and relatives who will also benefit tremendously.

With this workshop, we want our Calcutta Swimming Club's parents to feel better equipped to cope with new challenges of raising kids, whether its schooling, study stress, behavior problems, or teen upbringing. As we offer our hand in partnership, we address your concerns positively by introducing new solutions. This interactive workshop will not only give you hope but also show ways to build a stronger family.

The workshop timings are from **3.30 pm to 5.30 pm**, this coming **Wednesday ie, 5th May, 2010**. We have conveniently scheduled the timings for your benefit. Your children are important, and although we are all busy parents, we have to make time for this life-changing Workshop.

Please call us at the numbers below to reserve your seats. We would like both parents to be there. Although Registration is free, it is mandatory. We are looking forward to seeing you there!

Sincerely,

Mrs. Neha Bajoria
